

HERC MEMBERS CAN RECRUIT AT A DISCOUNT WITH INSIDE HIGHER ED

Inside Higher Ed is your partner in higher education recruiting: a compelling online publication offered free of charge combined with a full service job board to reach ALL candidates for your positions, not just active job hunters.

- **600,000 monthly readers**
- **Diverse readership – 20% ethnic minorities and 55% women**
- **Read by faculty, administrators and executives at all types of institutions**
- **National reach and local focus with one Web site**

Terrific annual packages let colleges and universities post unlimited jobs for one low price – and now regional HERCs can help members receive steep discounts for group package purchases:

% of regional HERC members participating	discount applied to group contract
25% of member institutions	15%
50% of member institutions	25%
75% of member institutions	35%
100% of member institutions	50%

- *The price for each institution in a group purchase depends on the total group discount level earned.*
- *All member institutions must participate in the annual contract in order to receive the 50% discount.*
- *Participating campuses that are already on contract will receive prorated pricing, depending on the number of months left on their contract*
