

women FOR hire

About Women For Hire:

Women For Hire is the first and only company devoted to a comprehensive array of recruitment services for women. Women For Hire offers signature career expos, a popular career-focused magazine, customized marketing programs, website advertising and an online job board that helps leading employers connect with top-notch professional women in all fields. Our CEO, Tory Johnson, is the Workplace Contributor on ABC's "Good Morning America." We are certified nationally by WBENC as a woman-owned minority supplier.

Fall 09 Schedule:

Our signature **Career Expos** attract hundreds of diverse women, from entry-level college grads to experienced professionals in all fields.
